## NEWSLETTER

May 2010

Dear Parents,

Hopefully the weather will be fine for the Bank Holiday weekend and for the half term.

### ASSEMBLIES

Thanks to Mrs Green and Mr Saunders for their recent class assemblies. I know the parents, relatives and children really enjoyed them.

### SAT TEST

Well done to our Year 6 children who have completed their SAT tests. Every one of our Year 6 children gave of their best. As soon as we have the results of these tests we will send them to you as part of your Annual Report.

### VOUCHERS

We are currently collecting vouchers that companies such as Tesco, Sainsbury's or Nestle are offering. We are also collecting ink cartridges. These have helped us to add hundreds of pounds to our school resources. Do please collect these vouchers and place them in the collection boxes in our main reception area. Once these have been counted they will be sent off. Thank you.

### LINGUASCOPE

School has a subscription to Linguascope until March 2011. Children may use this at home. All children in years 3 and 4 have used this program in school. The web address is [www.linguascope.com](http://www.linguascope.com). User name is mdj1 and password is grove1

### DONATIONS

We are extremely fortunate that our parents and local community give generously to our school. Parents have donated shrubs and bedding plants to improve our school site. Thanks go to Mr Boughey and the children in the Gardening Club, who have planted these and improved the front of our school now the alterations are complete. Thanks also go to Mr Love for arranging our planters at the front of both main door entrances.

We have also had hundreds of pounds worth of music and science resources donated by one of our local firms, Technology Supplies Ltd, based at Tern Hill. We would especially like to thank Mr Vaughan, one of our parents, who played a vital part in this donation. These resources will add to our school and improve the quality of education. Thank you.
